

Dear First Tee of Greater St. Louis Family and Friends,

Based upon recommendations from local elected leaders and public health officials, **THE SPRING SESSION HAS BEEN CANCELLED FOR ALL LOCATIONS.** We will continue to update you periodically via email, on our website, <https://www.firstteestlouis.org/> and through social media.

On behalf of our Board of Directors and staff, we apologize for any inconvenience this may cause; however, we believe this approach best maintains the safety and well-being of our participants, parents, coaches and volunteers during this challenging time.

We are not alone in this situation. We have been in constant communication with both the national organization as well as other chapters around the country. Because we are a charitable organization, we rely on program revenue as well donations from individuals and companies in the St. Louis region to support our mission of impacting the lives of young people by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. We are striving to be here for the long-term in order to continue enhancing the lives of young golfers. The loss of the Spring revenue will have an impact on our organization. Our goal has to be to minimize that impact to the programs that serve our young golfers.

Please carefully consider the options below and e-mail us at [info@thefirstteestlouis.org](mailto:info@thefirstteestlouis.org) to let us know which option best fits your situation.

1. Consider converting your Spring registration fee into a charitable contribution to First Tee of Greater St. Louis. We are a 501(c)(3) and would be happy to issue you a tax receipt for your generous donation.
2. Transfer your registration fee to the summer or fall session. In order for us to know how many spots to hold in each session, please provide the following information in your reply to this email:
  - Indicate Summer Session or Fall Session
  - Program Location
  - Day of the Week and Class Time

Please feel free to contact us with any questions you may have, and we will follow up with you as quickly as possible.
